Be a Green Buckeye and participate in #BuckeyeClothesOut

An end-of-semester donation program through Goodwill Columbus

December 3-14

Students:
Donate your gently used end-of-semester clothing items and shoes at any of the locations listed between December 3–14. Goodwill responsibly recycles them or sells your items in-store. Proceeds from both activities support programming for people with disabilities and other barriers to find independence through the power of work.

Feels good to do good!
